

Supply Chain Quick Start Guide

1

GET STARTED WITH YOUR CSM OR CSA

(CLIENT SUCCESS MANAGER/ADVISOR)

Contact your dedicated CSM/CSA for a **quote or booking** by emailing clientcare@ariesww.com or calling 1-800-50-ARIES anytime.

All clients, current and future, are assigned a dedicated Client Success Manager/Advisor to guide them at every step.

Positive client experience is a primary goal.

We support you globally, from origin to destination, throughout the supply chain.

2

SECURE & PROTECT YOUR CARGO

Properly prep and secure your freight for transport.

Aries offers professional packaging and crating, along with All-Risk Cargo Insurance, adding a layer of protection against the normal rigors of transit.

Cargo shifts whether on vessel, plane, or road, so secure it well.
